

YELLOWWOODS NEWS

QUALITY EDUCATION BASED ON CHRISTIAN PRINCIPLES

12th November 2014

Dear Parents

It has been an action packed two weeks with our school concert and athletics day. Thank you to all our parents and friends of Yellowwoods for your support. Catinka and our Yellowwoods children shined once again during this year's outstanding performance. A reminder to place your orders for the concert DVD.

Thank you to our tuck-shop helpers (Hiltrud, Ros and Eleanor) and to our braaiers (Mr Rashid, Roger, Shawn, Colin and Chappie) at the athletics day. Due to weather, we are still attempting to finish our senior shotput, before announcing the winning House.

Parents, please join our Facebook page by clicking on the following link:

Many of you may have noticed that we have stopped cars from driving further than our parking lot. This is in order to keep our children safe at all times, and to allow them to play and eat their lunch under the trees. Please refrain from driving on our grass areas and make use of the parking lot. Thank you.

GOOD LUCK to our seniors, who start exams next week.

The Grade 3's and 4's had an action packed time at Hobbiton Adventure Camp in Hogsback last week. On arrival they were promptly whisked off on a hike to the majestic Modonna and Child Waterfall. After lunch the real fun and games commenced with the group being divided into teams. All children were offered the opportunity to Zip Line 700m and Abseil 7m. After a very exciting yet somewhat scary night hike a few exhausted but happy little boddies went to bed. The next day even a few drops of rain couldn't dampen spirits. To avoid the rain, guides treated a few brave souls to the King Swing in the hall. Fun and games continued in the hall until the weather allowed the children to experience the High Ropes. Well done to all the brave children who grabbed the opportunities on offer with both hands. Please join our Facebook page to see all the photos and action.

With Christmas around the corner it is time to thank those who so diligently work behind the scenes to keep our grounds and classrooms looking good and all the little tummies full and happy. Parents are encouraged to please send a non perishable food item to school with their children. We will be making up food hampers for our ground and kitchen staff for Christmas. Please help us to thank them for all they do for our children.
