18th March 2014

From the Head - Thank you for your assistance with lifting children this week. The children had a wonderful time at the Science Festival in Grahamstown.

Thanks to Aunty Eve and her Grade R theme of 'fire', we organised for a fire engine to visit us on Friday. The noise and excitement was overwhelming and the children enjoyed a talk from the firemen about fire safety.

INTER-HOUSE GALA

Please note that there will only be transport from Alice and Adelaide to the Winterberg pool on Tuesday morning. There will be no Fort Beaufort bus. Children need to be at the Winterberg pool at 8h00. There will be NO transport after the gala and children need to be collected from the Winterberg pool no later than 12h30. There will be no school on Friday, due to the public holiday. Boarders need to be collected from the Winterberg pool - Mrs Rayner will have their bags at the pool. We hope to see as many of you at the gala as possible - we value and appreciate your support for our school events. There will be a tuck-shop at the gala, so please send money with your children.

Children need to be dressed in their house t-shirts and navy shorts with navy or black costumes and a cap and towel. (All clearly marked.)
