YELLOWWOODS

Dear Parents

I hope that you enjoyed a restful and happy weekend with your families.

Our Senior Primary pupils thoroughly enjoyed their outing to Forestway and returned safely with interesting stories of the magic, adventure, fun and pure excitement of the outdoors.

Our sincere thanks go to Miss Potgieter and Miss Msomi for unselfishly accompanying our children and to Geoff and Headman for the safe and reliable transport.

The Grade 6's and 7's have been given their timetable for the tests and formal assessments this term. (Please refer to the term calendar). We encourage you to assist in a positive but firm way with study timetables and effective study methods. Please feel free to contact the relevant teacher/s should you require assistance.

The famous and inspiring writer, Paulo Coelho says " A true warrior of light knows that every garden has its own mysteries, which only the patient hand of the gardener can unravel. That is why he prefers to concentrate on the sun the rain and the seasons. "

My kindest wishes

A happy and fun start to our winter term. Our pre-primary classrooms had a fabulous upgrade during the holidays. The littlest ones have been learning about dinosaurs, and the Grade R's are busy with Night and Day.
