

Yellowwoods School

29th July 2014

From the Head's desk

I felt extremely proud yesterday afternoon, being on the field with an U/8 and an U/13 hockey team. We were invited to play Templeton – rather late in our season, but at the beginning of theirs, and their phone call went a little like this; “We remember Yellowwoods being the first school to invite us to play a hockey match in 2012. We now have our own hockey field and we would love for our first match to be against Yellowwoods.” Our children embraced the opportunity, and played their hearts out yesterday – well done to all of you. It is moments like these, which make our jobs worthwhile.
