7th May 2014

From the Head - This cold snap has arrived just in time for our winter term. Welcome back! Tanya Scheck, our new school secretary, has hit the ground running and has already made her mark. Welcome to the team, Tanya! We also welcome her daughter, Hayley, to our Grade 4 class. We trust that you will both have a happy and successful time at Yellowwoods.

There is over 40 years of early childhood research that has demonstrated that parent involvement is THE single-most important factor for determining a child's school and life success. Our staff are fully committed to your children, and I cannot stress enough how important it is that we as parents, strive for, and maintain a healthy and consistent environment for our children at home.

There will be a stationary check on Monday. Please make sure that your children have the correct stationary. It is not only challenging, but extremely frustrating for our teachers when children do not have the necessary stationary.

Congratulations to Wendy Tesner and her husband on the safe arrival of their son, Alex.

I wish you all a happy and enjoyable second term.

Happy voting.

Nicole
